

Insurance certificate for professional indemnity of lawyers

Insured lawyer: **Koenraad Aerts**

FBC number: 4854758

Valid until 31/12/2018

Insured risk: Professional liability

The Flemish Bar Council has taken out group 'civil-law professional indemnity' insurance for the purpose of insuring lawyers against the financial consequences of contractual or non-contractual, civil-law liability for damage or harm caused to third parties, including their clients, in the course of their profession. The insurance coverage does not apply anymore for acts or facts occurring after the lawyer is no longer registered on the roll or on the list of trainee lawyers.

Insured parties

- Lawyers that are registered on the roll or on the list of trainee lawyers of the Bar Associations of the Flemish bar councils or that are included on an EU list.
- Associations or law firms where the insured lawyers practice their professional activity.
- Employees of the insured parties.
- The non-EU lawyers registered on the B-list of the Bars who do not have their own insurance coverage and who have mentioned on the application form that they wish to join the present insurance policy.
